To Whom It May Concern:

Re: The Greenfield Group

This letter is in support of the subject Company and a testament to their professionalism and integrity.

Our organization has been involved with the Group since 2006, having become a partner in the medical building project in Port St. Lucie, Florida. We are owners of 6456 square feet of space in a 30,000 square foot medical building located at 1871 SE Tiffany Ave in Port St. Lucie, where we operate an Obstetrical & Gynecological practice.

From the design stage to the finished product, I couldn't be more pleased with the workmanship, attitudes and general professionalism of this Company. It is truly a pleasure to be a partner with Greenfield Group.

If additional information is desired, please contact me.

Sincerely,

Edwin W. Brown  
President, Chief Executive Officer
